

INDIAN COMMUNITY SCHOOL

May 10, 2017

Dear Parent/Guardian/Community Member,

After thoughtful review and deliberation the Indian Community School Board of Directors has selected a new Head of School. There were a significant number of candidates who voiced interest in the position and the ICS Board narrowed that field to three final candidates. One of those individuals withdrew from the process voluntarily.

The final step in the process was to solicit stakeholder input. In doing so, the candidates were asked to present to three different groups: a volunteer group of parents and community members, a volunteer group of staff members, and lastly the ICS Board. After all the input was received and considered, Mr. Jason Dropik emerged as the obvious choice. The ICS Board made the decision to offer the position to Mr. Dropik and he has graciously accepted.

Please join us in congratulating Jason on his new role effective July 1, 2017, and we ask for your support while he embraces the responsibilities of his new position.

Yaw^ko!

Respectfully,

Carmen Flores, Chair
ICS Board of Directors
